

## Unlock Your Door to Opportunity with IIA Global Certifications

### **Certified Internal Auditor (CIA)**

Make the Certified Internal Auditor® (CIA®) designation be your master key to success. Demonstrate your competency and professionalism in the internal audit field with the CIA — the premier global internal audit certification.

### **Certification in Control Self-Assessment (CCSA)**

Demonstrate your ability to drive for organizational change with the Certification in Control Self-Assessment® (CCSA®). The CCSA is for practitioners at any experience level with CSA fundamentals and processes.

### **Certified Government Auditing Professional (CGAP)**

This comprehensive, professional credential, Certified Government Auditing Professional® (CGAP®), is designed for auditors working in the public sector at all levels — federal/national, state/provincial, local, quasi-governmental, or crown authority.

### **Certified Financial Services Auditor (CFSA)**

Demonstrate the breadth of your financial services knowledge with Certified Financial Services Auditor® (CFSA®) and grow as a financial services audit professional. This certification is for professionals working in banking institutions, thrift/savings and loan organizations, credit unions, insurance companies, and more.

### **Certification in Risk Management Assurance (CRMA)**

The Certification in Risk Management Assurance® (CRMA®) is designed for internal auditors and risk management professionals with responsibility for and experience in providing risk assurance, governance processes, quality assurance, or control self-assessment.

### **NEW! Qualification in Internal Audit Leadership (QIAL)**

If you are aspiring to be a leader in your organization or looking to add credibility to your current leadership role with stakeholders and peers, the Qualification in Internal Audit Leadership™ (QIAL™) will help you build and enhance skills to further establish your credibility as a leader of the future.
